

Troop 1299 Orientation Campout
March 24 5:30 pm through March 26, 2023 12:00 pm
Cleburne State Park, Texas

Permission Slips due no later than the Troop meeting on March 20, 2023

I give permission for my Scout to attend Troop 1299's **Orientation Campout** listed above. I understand that my Scout must be at Suncreek United Methodist Church by **5:30 pm on Friday**, in a clean scout uniform (including a troop t-shirt), eaten dinner (**we will not have dinner Friday at camp**) with all of his gear packed and ready to go for a prompt 6:00 pm departure. We will return Sunday at approximately 12:00 PM AT BOON ELEMENTARY. I understand the following points are required in order for my Scout to attend this event.

- My Scout will eat dinner prior to departure.
- RX: I understand I need to provide any prescriptions my Scout will need to take during the event to the acting Adult Medic, **in a zip lock bag, in the original container, with specific instructions on exact dosage and frequency (AM/PM, Hourly, etc.)**.
- Medical devices: I understand a requirement to participate in 1299 activities is for any medical history listed on my medical form, I must physically show the Scoutmaster or the Troop Medic my doctor prescribed "on person" medical safety device, such as an inhaler for asthmatic reactions, or Epi-pens for allergies, etc. **I understand this must take place prior to the beginning of the activity and if I do not have the medical device, I will not be allowed to attend the event.**
- Boy Scouts are allowed to bring personal snacks and drinks to this event **if the driver allows**.
- **Electronics (iPod, DVD player, games) are NOT permitted on this campout, phones will be left in cars.**

I understand that safety and concern for others and the appropriate conduct as a Scout throughout this event is a top priority and I have discussed this with my Scout. If any problems arise, I may be reached at the number below to be asked to assist in resolving the issue.

I understand all payments and medical forms must be submitted prior to departure.

Scout's Name: _____

Emergency Phone Number: _____

Signature of adult giving permission: _____

I, _____, a **Youth Protection Trained adult**, will also attend.
(print adult name)

----- Cut and save for your records -----
